The diagram illustrates a web application layout for a question manager. It features a header with a 'Q&A' logo and a 'Main Page' button, with a 'Log Out' button in the top right. A sidebar on the left contains an 'Avatar' placeholder and a 'ScreenName' field. The main content area is titled 'Recent Questions' and displays a list of five questions. Each question entry includes a question number, a link to details, a date/time stamp, and a number in parentheses. A 'scroll to top of page' arrow is located at the bottom right of the page.
